Correction Number	CP-2316
Log Summary:	Include reference to DICOM Conformance Statement template file
Name of Standard	PS3.2 2024a
Rationale for Correction:	DICOM provides the content of Annex N in a Microsoft Word document ready to use for DICOM Conformance Statement editors. It is helpful for editors to have the link to the word template directly included.
Correction Wording:	

Modify Annex N of PS3.2 as indicated below

N DICOM Conformance Statement Template (Normative)

This Annex provides a template for a DICOM Conformance Statement. For convenience a Microsoft Word version of this template can be found at <http://www.dicomstandard.org/resources/templates>.

Note

This Annex defines the normative content of a DICOM Conformance Statement. Changes to this Annex may not be immediately reflected in the Microsoft Word version of this template. When the current release of DICOM PS3.2 and the Microsoft Word version of this template do not match, it is the responsibility of the editor of a DICOM Conformance Statement to ensure the correct current content is reflected in the created DICOM Conformance Statement.

The content and organization of DICOM Conformance Statements shall conform to this template.
